

TBC-SERIES BLAST CHILLERS

Traulsen's award winning* blast chillers make chilling hot food safe and easy, day in and day out. Simply insert the sensor into the hot food to let the blast chiller maintain correct temperature control.

*Voted "Best-In-Class" – Overall and by Consultants, Dealers, and Operators, Foodservice Equipment Reports magazine – 2013, 2014, 2015, 2016.

G-SERIES REFRIGERATOR & FREEZER REACH-IN & PASS-THRU

G-Series refrigerators and freezers help you maintain your bottom line by offering Traulsen's superior temperature maintenance, proven durability, and energy efficiency in an economical cabinet.

TS-SERIES FULL-SIZE PREP TABLES

TS-Series full-size pizza, sandwich, and salad prep tables are built to last. Our special forced-air design wraps your ingredient pans in protective layers of cold air – from above and below – ensuring consistent food safety.

3 YEAR PARTS & LABOR WARRANTY 5 YEARS ON COMPRESSOR
